Coffee and light breakfast  
items provided

Check or cash payment will be  
taken at the door. Checks should  
be made out to the "Lancaster  
County Clean Water Consortium"

Do you know what you  
need to know to  
successfully implement  
your stormwater  
management program?

The Lancaster County Clean Water Consortium invites municipal managers, other public officials and engineers to attend a free training designed to help local governments comply with water pollution control requirements associated with municipal separate storm sewer systems (MS4) program and their obligations to implement and document their activities to meet the requirements.

**FREE for Lancaster Clean Water Consortium Members**  
**\$15 for non-members**
