

SAVE THE DATE: PENNSYLVANIA PHASE II COMMUNITY FORUMS

The Environmental Finance Center (EFC) invites you to join us for the **Pennsylvania Phase II Community Forums**.

This two-part event hosted by the Lancaster County Conservation District will be offered on **March 14th** and **March 21st** at the Lancaster Farm & Home Center from 8:30 am to 12:00 pm.

The event on March 14th will focus on addressing minimum control measures 1, 2, and 3.

The event on March 21st will focus on addressing minimum control measures 4, 5, and 6.

Both events will provide municipalities the opportunity to learn innovative and creative ways to address each minimum control measure, strategies to *finance* MS4 permit activities, and the opportunity to ask questions of experts working on stormwater issues in south central PA communities.

An agenda and registration details will be distributed soon.
